Dear Sir/Madam,

I am writing to request an Advance Parole document to facilitate my travel plans from the United States to [Country] for a unique educational opportunity. As an applicant currently awaiting the adjustment of my residency status, under Receipt Number [Your Receipt Number Here], this travel is crucial for my academic and professional development.

I have been selected to participate in an international research project that aligns closely with my field of study and will significantly contribute to my thesis work. This project is scheduled to take place from [Start Date] to [End Date], and participating is a once-in-a-lifetime opportunity that will immensely benefit my career prospects.

Enclosed are letters from my academic advisor and the project coordinator, detailing my selection for this program and the

significance of my participation. I plan to return to the United States immediately upon the completion of the project.

I fully understand the importance of adhering to the rules governing Advance Parole and commit to returning within the timeframe I have specified. I appreciate your consideration of my request and hope for a positive response.

Thankfully,
